MARCH 2019

Adopt-A-Street

What an amazing contribution!

As you will see from the map on the reverse of this newsletter, people from every corner of Angus have adopted streets and places they care about. It is heartening and encouraging to know that so many people across Angus share a passion for clean environments and want to make a difference.

We are delighted to be able to enclose a small thank you with this newsletter by way of a 10% off voucher from Sea No Waste in Arbroath. For those of you who have not yet visited they are one of the largest plastic free shops in Scotland and have some fantastic ideas for using sustainable products and reducing waste.

In the Spotlight

People on Adopt-A-Street have said that they would like to know more about others who are involved. Would you be prepared to feature in a future newsletter with a photo and a bit of news about the area you have adopted? Please contact Wendy; angusisace@gmail.com

Why not take a look at the Angus Clean Environments web-site and download a copy of the Litter Prevention Action Plan which has been produced for the Harbour area in Arbroath. We are trying to reduce waste and litter at source and prevent it escaping into the sea. www.aceangus.co.uk

FACEBOOK
Angus Clean Environments

More than 70 people in Angus have joined Adopt-A-Street since the scheme was established in December 2017.

www.aceangus.co.uk

A partnership between communities and the Council. Creating a better place for everybody to live and visit.

ADOPT A STREET MAP

Note that the places adopted are not necessarily the places where people live. Some places have been adopted by more than one person which is great! The more people involved the better.

KIRKBUDDO
Skichen to Holemill, B978

FARNELL
